

THE MAD RACCOONS

High-Energy Modern Rock from Brussels

ELECTRONIC PRESS KIT

Scan for band updates

ABOUT

The Mad Raccoons are a Brussels-based modern rock band blending grunge attitude, stoner grooves and powerful melodies. Fans of Queens of the Stone Age, Three Days Grace and Linkin Park, the band delivers heavy riffs, raw energy and crowd-moving choruses. Since 2025, The Mad Raccoons have built a growing presence on the Belgian rock scene through energetic live performances featuring both original songs and carefully selected covers.
